We have been in our beloved Inveraray for 2 weeks & leave on Tuesday for Blairgowrie to see the Corries then Edinburgh for a few days & then home. It has been terrible weather rain & storm everywhere. But was a lovely day for the Highland Games which took place in this park a beautiful setting in it is all the hills & pipes thrilled one through as you can imagine. Hope you are both keeping better. I will be home. Hope I have put the right address as I have had my bother with me. Much love to both from "Jane"
